IMPORTANT INFORMATION REGARDING BENCHING & IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

At benched shows soft crates may only be put on benches if they are the appropriate size for both the dog and the bench, and the crate can be securely attached to the bench.

Both of these points were introduced with the safety of all in mind, but most importantly that of the dog, and to minimise potential incidents and injuries.

The Kennel Club would also take this opportunity to remind exhibitors that Show Regulation F(1).17 requires that dogs should be present on their benches at all times except when being judged, prepared for exhibition or exercised.

DOGS FOR GOOD: Midland Counties Canine Society has a long, esteemed relationship with the Banbury-based charity Dogs for Good. Originally founded in Kenilworth in 1988, Dogs for Good – then known as Dogs for the Disabled – is a pioneering charity pairing disabled people with specially-trained dogs to provide physical assistance and the emotional bond we know we can only be had from a dog. The charity has only continued to grow over the past thirty-five years, training the country's first children's assistance dog and dogs specifically for autism, and they're thrilled to have forged a strong relationship with MCCS.

Dogs for Good's dogs provide invaluable independence, helping people create healthier and fuller lives, whether through a one-on-one assistance dog partnership, working with one of the charity's dogs in a community setting, or its Family Dog service, tailored to helping families with autistic children unlock the potential of a relationship with a pet dog. They're dogs that open doors – literally and metaphorically.

CEO Ed Bracher says: "Relationships with groups like MCCS are essential to the work we do to raise awareness of the transformative potential of the human-dog bond. With our long-established history, we're grateful to the MCCS for their continued support of our work across the Midlands."

The charity is in urgent need of volunteers to raise its puppies and look after its dogs; could you or someone you know provide a loving home? You can find out more about puppy socialising at dogsforgood.org/volunteer.

 - a. Shows Judged on the Group System:
 - 1) **Best of Breed:** Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.

 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F I I.

 16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
 17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of the Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Show will be held under Kennel Club Rules and Regulations. All rules, definitions or instructions of the nature of Rules and Regulations printed for convenience in other parts of this Schedule shall be deemed to be regulations of the Show and shall have the same effect as if they formed part of these Regulations.
21. Returned cheques: Exhibitors whose cheques are returned by their bank for any reason will be required to settle the amounts due together with a £20.00 surcharge to cover administration and bank charges. **This includes unpaid credit card amounts.**
22. Exclusion of Dogs: The Show Management may exclude or remove any dog which, in their opinion or that of the Judge, is not in a fit state for exhibition.
23. Safety of Dogs: The Committee will not be responsible for the loss, detention of, or damage to any dog, person or property whether arising from accident, or any other cause whatever, or from any act or omission of itself, its officers, agents, servants or others or the damage done by the exhibitor to any person or property.
24. Gangways: Gangways must be kept clear at all times. Any obstructions, including dog boxes, left in gangways will be removed by the Show Management.

26. Acknowledgement of Entries: If acknowledgement of entries is required, an addressed, stamped card with "Receipt" written on the reverse should be enclosed for the Secretary's signature.
27. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
28. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge. This shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
29. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
